Foreword

At the beginning of every school year, the journalism class put their heads together and create a theme for the yearbook. This year we chose "The Four Seasons."

Our life as students begins in September and comes to a close in June. As we go through fall, winter, and spring, each season may refresh in our minds some special event that has occurred in our lives. Perhaps we may recall a thrilling football game, a prom, or the all-school play. Perhaps we may think of some member of the faculty or member administrator who had been especially kind, with our best interest really at heart.

Although we are not in school during the summer, we felt that this season was just as much a part of a students' life as any other. At this time each of us anticipates, and prepares for, the coming school year. It may be said then, that in a sense, we are students the year round.

So as you readers leaf through the pages of this yearbook, let your minds wander into the land of memories. You will see the year 1963 pass in review. This can be a satisfying event, even for the "Old Grads", for even though the years may change, the experiences of high school go on and on.

J. R. G.

Mrs. Joyce Ochs

Stephanie, age two; Bradley, age one; Tracy, two months, Melanie, age two.

We Dedicate This Yearbook To . . .

Mr. Arnold Ochs

The Nineteen Hundred Sixty-three Graduating Class dedicates this our Forty-Second Volume of the Oaks to Mr. Arnold Ochs—teacher, coach, and friend.

After graduating from Muskegon Heights High School where he was a fullback on the varsity football team, Mr. Ochs went on to earn his Bachelor of Science degree at the University of Detroit. He began his teaching career at Muskegon Heights Central Junior High, in 1957.

In 1959 he married Joyce Roossien. They have four lovely children: Melanie and Stephanie, who are two year old twins; Bradley, who is one year old; and Tracy, two months old.

Here at Heights High he is teaching social science courses. He is also Assistant Football Coach on the varsity team. The Senior Class would like to take this opportunity to thank him for his help and guidance. We extend our sincerest thanks for a job well done.

Faculty And Administration

Mr. Frederick H. Faust
President

Retires

Our community, and the Muskegon Heights schools in particular, will miss the presence of Mr. Faust on our local Board of Education of which he has been a member for 13 years. Mr. Faust was named in 1949, served as treasurer for seven years, and president in 1960.

A graduate of the University of Michigan Law School and son of a professional educator, Mr. Faust has long been active in community affairs. He is President of the Muskegon Manufacturers Association.

Secretary of Continental Motors Corporation, he was also president of the United Appeal here in Muskegon. He has always had a deep interest in young people and their progress. He is married to the former Flora Anderson, a graduate of Muskegon Heights High School. They have two children, Christine and Vickie. The family is moving to Spring Lake.

We wish to say "Thank you, Mr. Faust!" for your interest in us all these years.

Mr. Robert McCaleb
Elected President

Mr. Don Stafford
New Trustee

Band

Congratulations to the band, under the direction of Mr. Gene Marklevits, on a job well-done. Mr. Marklevits came here from Manly, Iowa. He received his masters degree from Mankato State University, Iowa. Assistant band director is Mr. Jack Saunders.

With the completion of marching season, the band participated in parades, concerts, and sent members to the Solo and Ensemble Festival. They also attended the band contest held at Muskegon High School.

Again this year was the Dance Band. They played for dances, and club meetings. We hope the band will be as successful next year as it was this year.

Orchestra

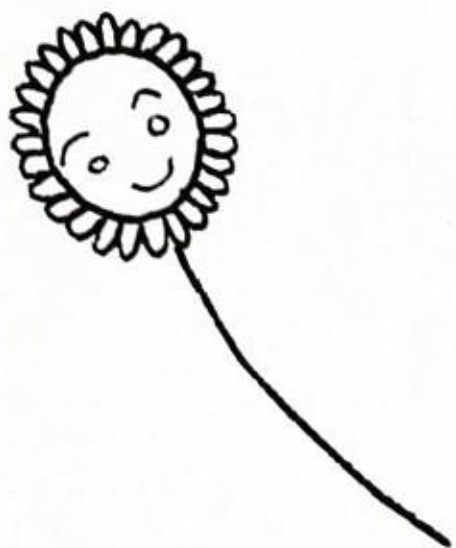

Mr. Van Ravenswaay (director)

Orchestra

Standing, Mr. Van Ravenswaay (Director), Miller, Blackman, McDaniel
Terpstra, Stockli, Kennedy, Ashford, Lance, Gill
Bupp, Wangerin, Raessler, Budnik.

Practice

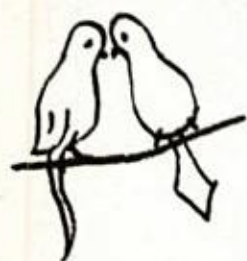

The orchestra, under the able direction of Mr. Gerrit Van Ravenswaay, has completed another successful year. Activities of the orchestra included playing at the Thanksgiving, Christmas, and Easter assemblies. They also provided music at the Baccalaureate Services for graduation.

The annual Christmas concert was presented along with the choir. The combined high school orchestras from Grand Haven, Muskegon, and Muskegon Heights played for the student body of each of the three schools and also presented an evening concert for the public. The orchestra provided music between acts for the Senior Play. A string ensemble played for the All-School play, "Flower Drum Song."

A summer orchestra camp program and new uniforms were two of the main projects on which the orchestra worked.

A Cappella Choir

CITY CHAMPIONS — 3 Wins, 1 Tie

By Eric George

After five highly successful years as Muskegon Height H.S. Baseball Coach, Mr. Del Firme reluctantly announced his retirement from this sport. He said he gave up baseball coaching because he feels he cannot do his best at either baseball or counseling if he has to do both in the spring of the year. He continues as football coach.

In the years 1958-1962, when Mr. Firme was baseball coach, his teams compiled an excellent record of 45 victories and 24 defeats. Muskegon Heights High School won the City Championship in baseball four times in his five years of coaching.

Mr. Firme pointed out last fall, in an interview, that the new coach, Mr. Lloyd Swelnis, will face a task of rebuilding the team for 1963. Many boys were graduated in 1962, leaving places "wide open" for whoever can "make" the position. Lack of a program of Junior High Baseball, and Reserve Baseball at the high school level, delays the progress of many boys, Mr. Firme declared. If Heights had a Reserve team, it would do much to give more boys a chance to develop.

Mr. Swelnis, the new baseball coach, is a former Heights Tiger star, the first to win four major letters in one season. He played quarterback in football, second-base in baseball, was a guard on the 1956-57 basketball team (State Class A champs), and ran the half-mile in track. At Western Michigan University he became a halfback, and was a Bronco halfback for three seasons. As a senior he won All-Conference honors.

Betty Adams
Commercial

Quiet Betty...enjoys reading famous novels and likes sports . . . dislikes talkative people . . . ambition—to become a telephone operator or secretary.

Mary Ashcroft
Commercial

Always a smile for everyone...works part-time at a local greenhouse . . . likes boys and working . . . dislikes pizza and show-offs . . . active in Luther League . . . ambition — to travel around the United States.

Carol Adams
General

Carol...enjoys dancing and roller skating . . . she likes to eat and have fun . . . dislikes people who tell lies . . . ambition — to be a practical nurse.

Stan Ashford
General

Participated in Hi-Y . . . likes sports, especially hockey . . . dislikes stuck-up people . . . his hobbies are model jets and writing stories . . . ambition —to be an Air Force pilot and a freelance writer.

Roger Anderson
College

"Rog" . . . well liked by everyone . . . active in reserve and varsity football and basketball . . . member of the Hi-Y, Vice-President of his Jr. class . . . likes football, basketball, and water sports . . . ambition — to go to college and be a success.

Les Bader
Commercial

Les participated in band for two years and F.A.A. . . . likes to have a good time and to have money . . . dislikes people who think they're alot . . . won awards in printing . . . works part-time at the N.K. Drive-in . . . ambition — to get in the business field.

Rosemary Andre
General

"French" . . . works part-time at the Muskegon License Bureau . . . likes dancing, friends, talking and loves livin' . . . hobbies are drawing and writing . . . ambition — to travel around the U. S. and then settle down and raise a family.

Mary Ellen Baker
General

Very quiet . . . Mary participated in chorus . . . also, worked in the school cafeteria . . . ambition — to always be happy.

Sandra Archer
Commercial

Sweet congenial "San," participated in Choir, Chorus, Booster Club, Sub-Jrs., and all school play . . . was Jr. & Sr. Arbor Girl . . . likes Dave, pizza . . . Active in Church . . . won a scholarship to music camp.

Melinda Barber
General

"Linny" . . . enjoys cooking and ice skating . . . likes pizza and Dennis . . . works part-time as a secretary . . . ambition — to be a housewife.

Alyce Battle
Commercial

"Lolly" . . . participated in chorus, secretary of F.N.A., F.A.A. library staff, and church choir . . . her hobby is collecting articles on nursing . . . likes reading and writing letters . . . dislikes gossiping and eavesdropping . . . ambition — to be a nurse.

Williard Bevins
General

"Willie" . . . likes good stereo music and spending money . . . won three firsts in the Greater Muskegon Industrial Management Club . . . ambition — to have a good life and retire at 35.

JoAnn Beal
Commercial

Fun-filled "Jo" . . . active in Student Council, Y-Teens, Spanish Club, Booster club, and Sub-Juniors . . . also was active on the prom and Sr. play committees and intramural sports . . . ambition — to be happy and succeed in whatever she does.

Sammie Billips
Commercial

"Sam" participated in track and cross-country . . . likes most sports, and his favorites are basketball, track, and crosscountry . . . hobbies are dancing and roller skating . . . ambition — to become an accountant.

Thomas C. Benson
College

Tom . . . active in Student Council and Band . . . won Latin Award . . . enjoys playing the piano and sports . . . dislikes pencil sharpeners that don't work . . . ambition — to be of service to God and Country in everything he does.

AUTOGRAPHS

This image shows a single sheet of white paper with horizontal black ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. A faint vertical crease or fold line is present down the center of the page. The paper appears slightly aged or off-white.

1962 Sealed Power Management Trainees

We congratulate the 1963 graduating class for reaching this milestone in your growth and development.

Like you, Sealed Power is looking toward the future. With constantly changing technology, products and consumer demands, the future of our company is dependent on well-educated and trained personnel. This is why the 227 Sealed Power factory employees hired during 1962 had a high school education or its equivalent.

Also, each year our overall employment and management development program permits us to hire a predetermined number of selected college graduates for future management positions. These particular young men are given a year's training in the various divisions of the company before being assigned to responsible management jobs.

SNARLING TIGERS MEET TOUGH TEST TONIGHT

Cross Country Brings 2 Year Total To 21-0

By Eric George

Muskegon Heights' amazing Cross Country team swept through its schedule with a perfect 11-0 record in dual meets to bring its total to 21-0 over a period spanning two years. They also added their second consecutive Lake Michigan Athletic Conference title, becoming the first team to do this. This victory was especially impressive, for Bill Bringedahl, Mike Guant, and Wayne Leadman came in 1-2-3, beating the best runners from Muskegon, Holland, Grand Haven, Benton Harbor, and Traverse City. Ruvell Martin and Al Uschkamp came in eleventh and seventeenth to give the Tigers a runaway victory with Heights getting 34 points and their closest rival 74.

Our harriers had amazing consistency with Mike Guant never beaten by an opposing runner and Bill Bringedahl beaten only once. Wayne Leadman, Ruvell Martin, Al Uschkamp, Dave Hopkins, and Max Borgeson had consistently good times which gave the Tigers their seasonally low scores.

At Traverse City, we had the first six men placing with four breaking the course record. Bill Bringedahl was first with a time of 9:46, smashing the previous record of 10:07. At Holland we had six of the first seven runners and the first five broke the record. Bill Bringedahl broke the record of 11:32 with 11:04. Against Holland at our home course, we had the first four runners, with the first two breaking the record of 9:55. Bill Bringedahl had 9:46. Against Muskegon Christian we had the first six runners. Against Benton Harbor we had seven of the first nine runners. Against Muskegon we had six of the first eight.

Bill Bringedahl Mike Guant

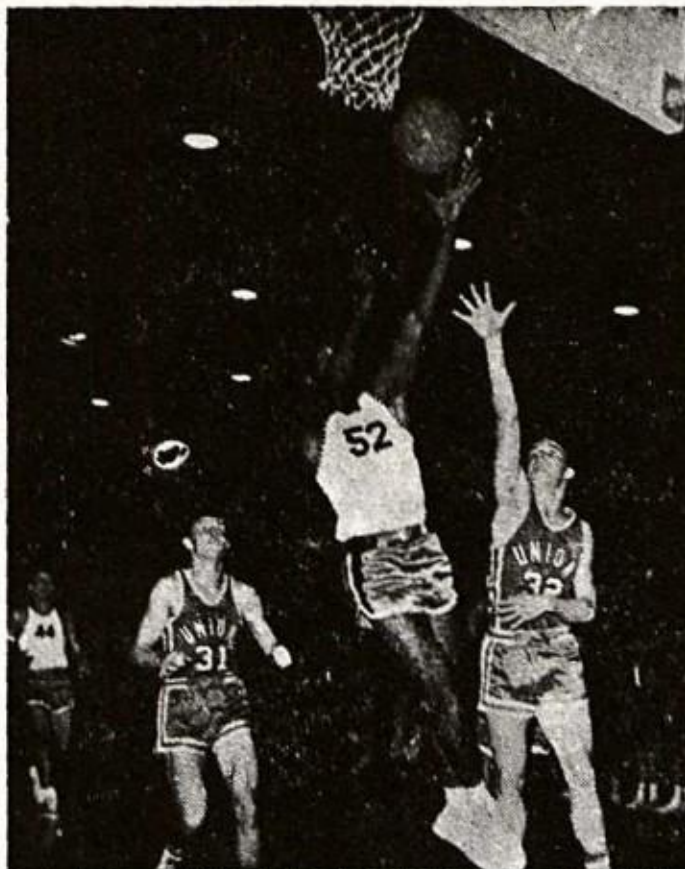

The season scores were: Heights over Traverse City 15-47, Muskegon Christian 15-49, Muskegon 19-36, Grand Haven 20-36, Traverse City 15-49, Muskegon 18-41, Holland 15-47, Benton Harbor 21-40, Holland 16-41, Muskegon Christian 16-45, and Grand Haven 27-29.

Bill Bringedahl was voted Most Valuable for such outstanding performances as 9 first places in 12 meets. Mike Guant was voted team captain for his consistently fine times.

Coach Donn Westman said that although he was losing most of the boys that formed the hard core of his undefeated squad, he had some fine boys who were lettermen and will be seniors next year. Wayne Leadman, Dick Cecot, Dave Christian, and Darryl Dinger will probably form the nucleus with Chuck Raymond, Frank Mitchell, John Vines, Ron Lynn, and Aron Gill also senior letterwinners fighting to get in the top seven.

It will probably be the progress of the sophomores of this year that will determine if Muskegon Heights can remain at the top of the L.M.A.C. for the third straight year. Some of the promising boys who are sophomores this year are Bill Hunter, Charles Steele and Simon Townsel.

Coach Donn Westman's "ace in the hole" for the coming years may be a 13 year old boy named James Autman. Although he was too young to compete, he practiced with the team and showed great potential.

Roosevelt Day (52) Drives In For A Lay-Up Against Grand Rapids Union. Roger Anderson (44) Looks On.

Tiger Tales

By Eric George

The new golf coach for the 1962-1963 season will be Everett Bidvia, who will replace William Bosserdet. Mr. Bosserdet moved to Florida in the fall when it was decided that the school would abandon the driver education program during the school year. Mr. Bidvia is a fine golfer, and he ought to help the team with his pointers and advice. He is a top local golfer and former Central Michigan star.

Ed Burton, who was all-state center and one of the mainstays of the Tigers in 1955-56-57 (when they won two state championships) and later played for the Harlem Globetrotters, and the N.Y. Knickerbockers, will be playing for the Cook's Oilers of Holland this season.

His brother, "M.C.", who during 1954-55 was a standout on the Tiger team, is finishing eight years of studies at the University of Michigan, and is completing his senior year at Hackley Hospital.

Sam Flanders Jots It Down

Dear Sam Flanders,

I have a terrible problem which I hope you'll be able to help me with. Everytime I'm playing on the team I get the strangest feeling that people think I'm odd. I know for sure that I'm the toughest player because I knock them flat everytime I get the ball. They call me a bully for shoving, pushing, and scream when I step all over them. Please try to help me with my most unusual problem.

Roger A.

Dear Roger A.,

Your problem is quite easy. You're suffering from what we call "Over-worked-in-football-season." Just turn in your football uniform for a pair of basketball trunks along with a complete booklet of illustrations on "How to play basketball." As far as your shoes go, I'm sure stepping will be much easier if you would wear tennis shoes, (which can be purchased in any 5 & 10 cent store) in replacement of your spikes.

Never Yours,
Sam Flanders

Another former Heights graduate, who is a sports success is Fred Hilliard. Recently he won acclaim on the Army team he is playing with, for his outstanding line play.

A typewriter found in the basement last month once belonged to the late Mr. E. A. Stoddard who was Commissioner of Athletics for the old Southwest Conference years ago. It is now being used by the Acorn and Oaks staff and still has many years left in it, reporters say.

Tumbling Tigers Start Season

By Nancy Wangerin

We have a better gymnastics team than ever before! That is how Mr. Donn Westman, advisor, feels and everyone agrees.

Dave Hopkins, Larry Goranson, Phil Lavender, and John Kulesza are seniors who participated last year also. New to the team are Dave Christian, LaMont Houtman, Jerry Scott, and Brent McClain. These boys practice every Saturday from 8 until 12 as well as during the regular class time. Anyone who is interested should feel free to come to the practice sessions on Saturdays. They will again be participating in the Grand Haven Invitational. Last year they won by an overwhelming score of 333 points to 44 points. March 16, 1963 they will go to Hillsdale to compete in the state meet.

Muskegon Catholic	Tues. Feb. 26

Benton Harbor's Ball Players Rate With Best In Mid-West

By Ric Pedler

The Muskegon Heights Tigers will battle the Benton Harbor Tigers at our gym tonight in their last game of 1962. A Heights victory would be a great Christmas present for us all. However, our Tigers will have an uphill battle all the way because Benton Harbor is rated as one of the best teams in the Middle-west.

Our own Tigers have a rather impressive record, also. Although they lost to Grand Rapids Union, a potential Class A title contender, 62-45, they gained much information for future games. Larry Hammock proved himself to be a very capable guard by scoring 14 points to take the game's scoring honors. Roosevelt Day (shown making a lay-up at left) is an equally impressive forward. Roger Anderson, John Scott, Frank Mitchell, and Ken Bolden also played solidly in our season opener.

L'il Tigers Set To Battle Cubs In Preliminary

By Ric Pedler

Our "Little Tigers", coached by Rudy Thies, have been playing excellent basketball this season. They are sure to give the downstate Tiger Cubs a battle all the way.

In the opening game against Grand Rapids Union, our Tiger reserves won going away, 53-38. Mel Terrell led the Tiger squad with 14 points while John Houston netted 13 and Cleveland Zachary 12. Except for Pat Cooper, who scored 16 points, the Little Red Hawks were outplayed from the beginning of the game.

In their second game, the Little Tigers completely outclassed the Little Rams from Grand Rapids Central, 63-55. Tyrone Jenkins took the game's scoring honors with 12 points. Mel Terrell and Cleveland Zachary each netted 10 points.

However, the sweetest victory came in the third game of the season at the L. C. Walker Sports Arena against the Muskegon Little Reds. Although the Little Tigers completely outclassed Muskegon's reserves throughout the game, the traditional rivalry between the schools made the victory seem dear indeed. The final score was Muskegon Heights 64, Muskegon 31! And if this wasn't good enough, the Tiger second-string squad played from the early minutes of the third quarter until the end of the game and outscored the Reds 18-17! Mel Terrell led the Tiger scoring binge with 14 points. Cleveland Zachary and Harold Vines each scored 10. And it should be remembered that these three only played for a little over half the game.

The Benton Harbor Little Tigers will give our Reserves a far greater battle than did the Little Reds. Earlier this season they handily defeated the Little Bucs from Grand Haven, 60-51. This score gives some indication of the action in store for the fans at our gym tonight at 6:30. Let's all come early to support our fine reserve team.

Despite Injuries Football A Success

By Bill Uecker

Football—1962 is over; but it will be remembered for all the hard working boys that made up the team. We won three and lost six. All the games showed that these fellows were willing to work hard for our school.

We never did see what kind of a team we actually had, because injuries plagued us all season. We did not realize the full potential team that we could have had, but still we cheered them on when they scored.

In our second game the Tigers were a vastly improved basketball team. In the last two minutes of play they were nearly perfect under pressure. The famous Tiger stall was as good as ever. Hammock and Day again were the leading Tiger scorers with 16 and 13 points respectively. Hammock made four field goals and was eight for eight at the free throw line. Aaron Gill and Bolden aided the Tiger attack and Mitchell played another fine game at guard.

By far our best game, however, was played with the Muskegon Big Reds at the Walker Sports Arena. We won that "cliff-hanger" 68-66 in overtime! The lead changed hands several times throughout the traditional battle. Muskegon led by two points at the half and came from behind with two points in the final twelve seconds of the game to tie the score at 61-61 and send it into overtime. But then our Tigers proved that they were capable of upholding the fine Heights basketball tradition by scoring seven big pressure points while holding the Reds to only five. Roosevelt Day led the Tiger five with 19 points. Frank Mitchell netted 17 points and Larry Hammock, 16. Others aiding in the attack were Aaron Gill, Ken Bolden, John Scott (who shot the winning basket), and Roger Anderson. The famous Tiger stall again worked to near perfection. If our Tigers can shape up another attack against Benton Harbor as well-rounded as this one, the downstate five are going to be in for trouble.

Benton Harbor's team is probably the finest one Heights will play all season. They battled their way all the way to the state finals during last year's tournaments until finally losing in the championship game. Four out of last year's starting five are back again this year! These four are Al Andrews, guard; Nels Siegert, center; Ladell McBride forward; and Alex McNutt, forward. They will be joined this year by Mike Pollard, a junior guard. Other players who may see action tonight include Eric Johnson, center; Willie Jackson, forward; Fred Greer, guard; Chas Wilburn, forward; Tony Rutz, guard; Tony Ashman, forward; and Cliff Bassett, guard. With the exception of center, Siegert 6'6", the starting team is not extremely tall, averaging just a little over six feet.

Benton Harbor defeated the Grand Haven Buccaneers earlier this season, 70-46. Our Tigers played the Bucs last Friday night, and a comparison of the scores of these two games might give an indication of what will happen tonight. (The score of the Heights-Grand Haven game was not available at the time of this writing.) Regardless of these scores, however, there is no doubt that there will be plenty of excitement and a great brand of basketball when these two rival Tigers clash in our gym at 8:00 tonight.

This Is Your Life

Miss Cobb

By Diane Rien

We the members of Booster Club would like to thank you, Miss Maxine Cobb, for all the help and guidance you have given to us and others before us. You not only help with the annual Sno-Ball Prom and all the other activities of Booster Club, but also teach physical education six hours a day. When asked how you felt about teaching here, you replied, "I like it here very much!"

After graduating from Heights High, you went on and earned your Bachelor of Science degree at Western Michigan University. While at Heights High as a student you were very active and an important member of your class, being treasurer of your Senior Class, secretary of Booster Club, on the Student Council, and in various clubs such as the Commercial Club and Athletic Board of Control. Your "phys-ed" teacher was Florence Billings, now better known as Mrs. Florence Murray, one of the counselors here. While in college, which you liked very much, you belonged to the Women's Physical Education Club.

For the full time you have been here you have been adviser of our Booster Club. Without your supervision and patient understanding, we couldn't have done the things we have. You founded the "physical-fitness class" for which many girls are grateful. Because you like the outdoors and nature, you have an appreciation for the sports of fishing and hunting which you do in your spare time.

Again, all of the students would like to thank you and extend our deepest appreciation for all things you have done.

Yea Reserves

By Jan Grandelius

With a successful football season behind them, the reserve cheerleaders are looking forward to the same good fortune as the basketball season gets into full swing. Early in the summer the girls chose Sharon Merkins as their captain. Sharon, a sparkling blue-eyed, blond comes to Heights Senior High from Beach School. Four of the other girls also hail from Beach. They are peppy Diane Posvistak, Terry Holwerda, Rosemary Pollard, and Diana VandenBosch. Pert, cute Pat Gaunt is the "outsider" in this case. She is the only cheerleader from Central Junior High on the squad. Now the girls have practice once a week and at this time they try to think of new cheers and modernize old ones with new motions.

Future Teachers

By Rose Stewart

Hey, girls! What has happened to all the boys? It looks like a case of missing boys in our Future Teachers Club. At the first meeting of the F.T.A., all the new, excited members walked into the room and what do you think? — NOT ONE PERSON OF THE MASCULINE GENDER WAS PRESENT!!!

Come on, guys, we all know that there are many of you fellows that are interested in teaching. This is not a club just for girls alone, it's a Future Teachers Club!!!

Certainly it is not a sissy club — we have so many activities that you boys would enjoy. So, how about it? You are all welcome to attend the next F.T.A. meeting which is held in Mr. Morehouse's room.

Choir And Orchestra Give Annual Christmas Concert

By Carol Bishop and Nancy Wangerin

Last night, December 20, our annual Christmas Concert was presented by the choir and orchestra in the Heights High auditorium.

Under the direction of Mr. Gerrit Van Ravenswaay, the orchestra opened the concert with the Overture from Messiah. Raymond McDaniel, a bass player in the orchestra, did an excellent job of playing his interpretations of Christmas carols on the piano. The String Orchestra then closed that section of the program with selections from the Messiah.

Deanna Bupp, concertmistress of the high school orchestra, and Carol Eckerman, a soprano from the A Cappella Choir, did a violin and vocal duo, Jesu Bambino.

"March of the Toys" and "Tower Prince Overture" were played by the Muskegon Heights Symphonette Orchestra. This group is new this year. It includes the high school orchestra and the better players from the junior high orchestra. The symphonette closed with "The Christmas Festival."

The Concert Choir performed "The Little Babe" and also the "Glow-cestershire Wassail." Mr. Joe Charon is the new choir director.

The sextet performed "The Night before Christmas Song."

The Madrigal group is new also and consists of sixteen members from the Concert Choir.

The theme of the evening was "The Sound of Christmas."

Mr. Ferdon

Mr. Ferdon

By Nancy Wangerin

The students of the journalism class wish to apologize for having overlooked Mr. Ferdon on the list of new teachers in our first Acorn. We decided to write a special article on our auto mechanics teacher.

After graduating from Romulus High School, he went to Henry Ford Community College. When he completed his studies in automotive technology at Henry Ford, he went to Stout State College, an industrial arts college in Menominee, Wisconsin. He graduated with a Bachelor of Science degree.

In January, 1962, he married Ruth Odegard. November 30, a darling baby daughter, Terri Lynn was added to the family.

His hobbies include hunting, fishing, and working on hot-rods.

He participated in football in high school, and wrestling in college. He has also served full term in the Army.

Tiger Cradle

By Carol Bishop & Lenae Braaten

It's a woman's world at Heights High! Since school adjourned in June, 1962, we've had six new additions to the faculty clubhouse. It would seem "Ann" (the name) is high on the popularity this year.

Nancy Bidvia, daughter of the Everett Bidvias, was born August 27. Leah Ann joined the Richard Farabaugh home on June 22. Terri Lynn, daughter of the Frank Ferdons, was born November 30. Mr. and Mrs. Travis Gunter are the parents of Elizabeth Annette, born November 6. Tracy Ann, born October 11, is the daughter of the Arnold Ochs family. November 27, Barbara was born to Mr. and Mrs. Leonard Schrengardus. Mr. and Mrs. Fred Toxopeus are the parents of Susan Ann, born September 20. Karen Denise, daughter of the George Washingtons, was born June 1.

The students at Heights would like to welcome these new little girls and congratulate the parents.

Many girls like the quiet things of life — like the folding of a hundred dollar bill.

Yule Lights

By John F. Russ

They stand bright upon the Christmas tree.
Their brilliance shines for all to see.
They twinkle out a lovely light,
That adds warmth and glory to the night.

Their beauty — so rarely seen —
That of blue, red, yellow, orange,
purple and green,
Let us know it is the Christmas season,

The time of peace, birth date of man's Supreme Reason.

The lights shine, but for what do they stand?

The glory of God or the vanity of man?

Yet there are lights in the heavens above

That twinkle in honor of His wonder and love.

Look up and perhaps you'll see
That largest star in the perigee.

It is the Yule light of hope and reason,

The one true light of the Christmas season.

It was the light nearly two thousand years ago,

And even today, it is still so.

Indeed, I admire the beauty of the lights on the tree,

But I think I shall never see
None so beautiful nor so bright as

that eternal Yule light that
Shines in the heavens above me.

The Forgotten Tree

By George Stavros

Alone and afraid it stands,
No friends or allies with which to band:

The little tree stands alone,
While all its friends now lay prone.

Calling from a hill so steep,
The little tree seems to weep.

Here where no man has ventured before;

To saw at limbs with a mighty roar.
On Christmas Eve when all is bright;

The tree stands shivering in moon light.

No gay windows for it to light;

Just a cold, cold day, and a silent night.

Heights Hi-Y Holds Induction

By Ric Pedler

The Muskegon Heights High School Hi-Y held an induction ceremony Monday evening, November 26. Thirty-four new members were inducted. Reverend Roger Nielsen of the Temple Methodist Church was speaker. His topic was "Man's Responsibility for Service to Others," and was well received at the candle-light ceremony.

Exchange Students — Ray, Elisabeth, And Al

Svensk Jal (Christmas In Swedish)

By Elisabeth Bjurstrom

When the father of the Swedish family lights the first of the four "Advent candles" on the first Sunday of Advent, everybody knows that Christmas is coming. In our churches we sing the special Advent hymns and the priests bring messages about the coming of the Christ. This is also the time when all the Christmas presents are bought and food is prepared for the delicious "smorgasbord", which has its place in every home on Christmas Day.

In the morning on the day before Christmas, the tree is brought into the house and the little children decorate it with stars, candles, and fruit. In the evening we have the traditional Christmas dinner with "lut-flak" and afterwards rice-porridge with cinnamon. Before we sit down to the table, a little porridge is put out in the snow so that Santa Claus will get a meal.

The highest point of our Christmas celebration is when the whole family gets up at four o'clock on Christmas morning to go to church to hear the Christmas story and sing the hymns. When ending the early service by singing "Silent Night", the feeling of something new, something significant comes over the entire assembly and gives new hope for the coming year.

Navidad (Christmas In Spanish)

By Ray Ruiz

The Pinata is a bright and enjoyable part of the Mexican "Pasadas" celebration. The celebration lasts for the nine days before Christmas, and according to Ray Ruiz, our new exchange student from Mexico, every member of the family enjoys taking part in the fun of breaking the Pinata.

During his long Christmas Vacation, Ray likes to swim, play his guitar, and join his friends in football or baseball.

The six million people of Mexico City have many of the same Christmas traditions that the Muskegon Heights people do. For example, the decorated store windows, and Christmas lights. But they don't have the white snow. Ray's American "brothers", Dan and Randy Senf, plan to introduce him to ice skating and skiing while he is here. Who knows, maybe Santa will even make a public appearance at the Senf home, 4154 Sheridan Drive, to personally welcome Ray.

Alfred U.: Oh, waiter.

Waiter: Yes, sir?

Al: Do you have frog legs?

Waiter: No, sir, I always walk this way.

Uhhmm — Delicious

Weihnachten (Christmas In German)

By Alfred Ushcamp

When the four Advent Sundays are over, Christmas approaches. On Christmas Eve, there is a busy, mysterious life in all houses. The last Christmas presents are wrapped and arrangements are completed for the churchgoing. The younger children and one of the parents go to one of the worship services at night, and the other members of the family stay home to decorate the Christmas tree with Christmas candles, silver tinsel, and candy. When there are children in a family, the Christmas tree is decorated in a locked room to uphold the mystery. When the churchgoers return, the family exchanges presents and sings Christmas songs under an illuminated Christmas tree. Usually every family celebrates Christmas alone in peace and tranquility.

The next two days, December 25 and 26, are national holidays. On these two days, the children visit their friends to show them their presents, and acquainted families join together. There are also worship services on these two holidays. The families join together under the Christmas trees to praise God with their songs.

Mrs. DeWitt (showing her guest a radio made by her husband):

"My husband made the cabinet as well."

"Oh," said her guest, "did he use a pattern?"

"No," was Mrs. DeWitt's reply, "he made it out of his head and he's got enough wood left over to make a small table." (censored!)

Charlie Hamilton: Have you four-volt, two-watt bulbs?

Clerk: For what?

Charlie: No, two-watt!

Clerk: Two what?

Charlie: Yup.

Mr. Kruizenga: If you're not out of my office in two minutes, I'll — Salesman (cheerfully): And what would you like me to show you in those two minutes, sir?

Too often, when you tell a girl a secret, it goes in one ear and into another.

Thank You

By Nancy Wangerin

Mr. Forrest, the students of journalism class wish to thank you for the hours of work you spend printing the "Acorn" so that we get it out on time. We appreciate your willingness to help to make the "Acorn" one of the best school papers. The rest of the students here at Heights High appreciate the "Go Tigers!" tags which you print to help boost the school spirit.

SENIORS TO PRESENT PLAY NOV. 16, 17

By SuAnne Johnson

There's a loud whistle. Then the patter, or should I say rumble, of a dozen pair of feet. All in line? There's Dad with his stop watch, only sixteen seconds that time! This is assembly call in the Gilbreth household. Know of a better way a man can have all twelve of his children and his wife all assemble in the living room in sixteen seconds? What for? Why, for the "family council meeting." Are you wondering what this is all about? Perhaps I should explain.

This is taken from the senior play, "Cheaper By The Dozen" and will be presented November 16 and 17 in our Muskegon Heights High School auditorium.

The play is based around the fact that Mr. Gilbreth is an "efficiency expert", always trying to save time by saving motions. His reason for

doing this is that he has a bad heart and he's trying to make his family able to take care of themselves, and not be such a load on Mrs. Gilbreth, after he's gone. In order to do this he establishes a "democratic" council, making himself chairman. At the council meetings, nothing is allowed to be brought up for discussion unless it is of general interest. This results in humor because Dad, being chairman, decides what is of general interest!

Of course to Dad, the things of general interest are ideas that will save time, and the ideas are usually his.

For instance: When he took movies of the girls doing the dishes so he could analyze them and eliminate any wasteful movements! And when he put a victrola in each of the bathrooms, the family had to

put a record on and be through when the record was finished.

Dad not only wanted to save time in this manner, but he also wanted his family to be interested in things that would make them grow up sooner. School and studying were the most important things in their lives, everything else came second.

Skipping grades was common in this family. You could ask anyone of them, even little Jackie, to multiply 48 x 48 in their heads, and there wouldn't be the slightest bit of hesitation.

Girls, can you imagine having one of your brothers going along on every date with you as a chaperone? How about it, guys, what would your reaction be toward your girlfriend's dad coming along on your first date? This creates a hilarious situation for Anne when she wants

to date Joe, the cheerleader, and Larry, the team fullback.

This play is packed full of humor, especially if you put yourself in the place of one of the Gilbreths.

Besides being real family fun, there is real family love, warmth, sorrow, and humiliation.

It's so true-to-life and the characters are all so well played, that you won't want to miss it. And if you've seen the movie, "Cheaper By The Dozen," you have all the more reason to see our seniors' version of it.

Dad is so humorously played by Tim Mulder and his devoted wife is played by Sandy Oklad. The maid, Mrs. Fitzgerald—Bonnie Saxton; Dr. Burton—Jerry Bush; Joe Scales, the cheerleader—Bill Uecker; the strict school teacher, Miss Brill—Judy Janda; Larry, the handsome fullback—

Keith Danhof; Anne, the oldest girl—Bonnie Venne. The other children are: Ernestine—Rose Stewart; Frank—Ken Shepard; both whom narrate between acts; Martha—Paula Mezenski; Bill, the chaperone brother—Terry Long; Lillian—Sherry Booker; Fred—Bob Bohn; and Dan—John Van Overen; and little Jackie—Mary Forton.

The play is under the capable direction of Travis Gunter, last year's director of "A Man Called Peter." The student directors are Anne Rifenberg and Marcia Raser.

Of course a play can't succeed without the "Stage Crew." The stage manager is George Stavros; Assistant, Jerry Krukowski; Lights, Rick Olsen and Jerry Krukowski; sound effects, Ricky Kent. The cast and stage crew will work on scenery, props, and costumes.

King and Queen — 1962

Jan Grandelius — Tom Hylland

Queen Jan Grandelius and King Tom Hylland Reign in Glory at Annual Heights Homecoming

By Carole Bishop

The Muskegon Heights High School is off to a busy year under the able leadership of President Tom Golden. Other officers elected last spring are Chuck Martin, Vice-President, a junior; Sandy Mitchell, Secretary; and Ann Rifenberg, Treasurer.

These four officers along with Miss Jane Schroeder, advisor, attended a Leadership Training Conference in Ann Arbor last summer in preparation for the coming school year. Aside from having a "grand" time, they came home full of ideas and enthusiasm for our Council.

Already this year Student Council has sponsored a highly successful half-time program for our homecoming game, and the United Nations assembly held last week.

After the first meeting, Council held an informal get-together for the purpose of acquainting council members with our foreign exchange students. Elizabeth Bjurström, from Sweden, is living with the Henry L. Bookers of DeFeyer St. and Alfred Uschkamp, from Germany, is staying with the Arthur Ripleys of Eastland Rd.

U.N. Assembly Held At Heights

By Carole Bishop

A mock Security Council was the theme of the United Nations Assembly held here last Monday.

In observance of United Nations week each area school sent its representative to a meeting held to interest and inform youth about the United Nations. As a result of this meeting, an assembly was held for seniors and juniors at Muskegon Heights High School, to show us the workings of the Security Council. Students from each area school represented the eleven member countries of the Council.

Ann Rifenberg, Roger Krause, and John Russ participated in the program from Heights High.

By Carole Bishop

Homecoming at Heights High this year followed a tradition started by the class of '62 in that we had a float upon which our Queen candidates, and later the King and Queen, rode around the field.

Our lovely Queen this year was Jan Grandelius, and her king, Tom Hylland. During the halftime ceremony the Queen candidates came onto the field on the float; the king candidates followed in an open '63 Pontiac convertible. After circling the field the court faced the Muskegon Heights side of Phillips Field where their escorts were awaiting them.

The court consisted of Joanne Brandes, Marcia Erickson, Jan Grandelius and Ann Rifenberg. Escorts for the girls were Pat Donley, Jim Frasier, Paul Manak, and Jim Rama. The king candidates were Tom Golden, Tom Hylland, Dave Ripley, and Rick Whiting. Their escorts were, in order, Sandy Clark, Sandy Mitchell, Becky Smith, and Judy Waite.

While walking onto the field the court and their escorts were flanked by ten lovely senior Arbor girls. These girls were Sandy Archer, Pat Borna, Judy Cramer, Marilyn Filonow, Judy Janda, Paula Mezynski, Sandy Oklad, Bonnie Saxton, Nancy Wangerin, and Judy Zamesialt.

At this time the Muskegon Heights High School marching band formed a crown and played "Til There Was You". During the crowning ceremony the band played the "Coronation March."

After the crowning Queen Jan received two dozen red roses and then the Royal Couple toured the field on the orange and white float, to the cheers and applause of the spectators. After the game, Queen Jan and King Tom attended the dance held in their honor in the gymnasium.

Official photographer for the event was Diane Rien.

Booker, Sukup Acorn Editors

By SuAnne Johnson

This year our "Acorns" are certain to be successful under the capable direction of Co-editors Sherry Booker and Judy Sukup.

Sherry and Judy are active in many other activities besides journalism. Sherry is a member of Oaklan Players, a former President of the French Club, Vice-President of Future Teachers, and a representative of Student Council. This year, Sherry will play "Lillian" in our Senior Play, "Cheaper By The Dozen".

Judy and Sherry

Judy is a representative of Student Council and a member of Sub-Juniors. She is also the President of Spanish Club and the Secretary of the Senior Class.

Both girls were in last year's Oaklan Players presentation, "Boarding House Reach."

Two Heights High Students Among Best In Nation

By Lenae Branten

Last March forty of our juniors took the National Merit Scholarship Qualifying Test. Of these forty, 20% were listed in the 96 and above percentile; and 47% or 19 students placed in the 90 and above percentile. Mary Richardson became a Semi-finalist by placing in the 99 percentile; and another senior, Roger Krause, received a Letter of Commendation. Mary moved away this summer.

To be considered a Semi-finalist, you must score a 99 percentile. The semi-finalists are composed of the highest scoring group throughout the U.S. and its territories. The 11,000 Semi-finalists will then take a second exam in December to establish their eligibility to try out for the Merit Scholarship.

The Semi-finalists and Commended students together constitute only about 2% of all high school seniors.

College Night Slated For Nov. 1

By Nancy Wangerin

All-College Night for area high schools will be sponsored by Muskegon Heights High School on November 1 from 7:30 to 9:30 p.m. Juniors and seniors interested in higher education, and their parents, are urged to attend. Over 30 representatives from business schools, schools of nursing, colleges, and universities will participate in this educational service. The evening will be divided into two interview sessions, 7:30 and 8:30. At this time the students will visit with these representatives who will give general information about their colleges and answer individual questions.

Registration is made at the counseling office. All college-interested students are urged to attend and acquire general and specific information about various colleges that will enable them to make a wiser decision in the selection of a college.

Student Council Sponsors "Youth For Understanding"

Every year you help a small committee of about six, to raise five hundred dollars. Do you know what happens to it? The committee is the Student Council Foreign Student Committee; now you probably know why you raise the money. It is to send a boy or girl to Europe as a representative of Heights High. We felt that the students of Muskegon Heights deserved to know exactly what happened to the money they raised last spring. (For this reason, we hope you will go back to page one and read the interesting story of Rick Whiting's visit to Finland.)

But this doesn't account for all the money. With the help of a program called "Youth For Understanding," we have a girl from Sweden, and a boy from Germany spending their school year at Heights learning about America. For the months of December and January, we also have a boy from Mexico. But what do you know about their school, government, or family? Probably very little compared to what they have learned about us! We feel that you have a right, an obligation, and probably your only opportunity to learn of Sweden, Germany, and Mexico, from a citizen of these three countries. For this reason we have asked Elisabeth, Al, and Ray to tell something about Christmas in their countries. This is just the beginning—you can probably think of at least five more questions you would like to ask about their "homes."

These three have come to America for one purpose—to bring a better understanding between nations. You can do more right now to bring these countries together than the United Nations could do in six months of talking. Why don't we extend an extra warm hand to these kids during this Holiday Season? It would give all a Holiday Season to remember.

S.B.

Behind The Scenes

The fairies and elves have been here . . . they have heated our school, cleaned our rooms, swept our floors, washed our walls, and prepared tasty meals . . . all for us. Yet, do we ever thank them? Do we ever notice them?

These elves and fairies are our janitors and cooks. Mr. Pederson, for example, always has a broom in his hand or is working hard on a burnt-out bulb. Mr. Lodzinski scrubs the walls and keeps the rooms sparkling. Mr. Hilliard is usually spotted sweeping the gymnasium or some other tedious task. Then, of course we can't forget Mrs. Saunders, —always a smile, and always a sponge and pail of water in her hands.

Lunch hour is a very important hour of each students day, to some the most important. Although rarely noticed, because of the tempting food in front of them, are our cooks, Mrs. Webster, Mrs. Pohl, and Mrs. Wisty working very hard and long to prepare a menu for our school lunches.

Do you often wonder why our school is so nice and warm on these cold mornings? All the credit goes to our engineer Mr. Howell who often gets here in the wee small hours of the morning!

I believe it is about time we, the student body of Heights High, begin to appreciate these elves and fairies for all that they do for us.

So, get with it, kids, let these people know that you are grateful. Next time you see someone sweeping a floor, or handing you a dish of delicious food, or washing our walls, just say "hi" and "thanks a lot." Help keep things neat.

S.D.F.

Tiger Ticklers

Jan: Why are the snowflakes dancing?
Tom: They are getting ready for the Snoball.
Flattery is soft soap, and soft soap is 90 lye.
Jack: Who was Snow White's brother?
John: I don't know. Who?
Jack: Egg White. Get the yolk?

Mr. Morehouse ("absent-minded scientist"): Today we will cut open Mr. Frog. (Brings forth a paper bag and pulls out a ham sandwich) My goodness, I was sure I ate my lunch today.

Mr. MacKenzie: A fool can ask more questions than a wise man can answer.

Pat Donley: No wonder I flunked that test. (censored!)

Romeo: Juliet dearest, I'm burning with love for you.
Juliet: Come, now, Romeo, don't make a fuel of yourself!

Juniors Begin Plans For Prom

By Judy Janda

The Junior Class of Muskegon Heights High School this year is under the leadership of Chuck Raymond, president; Suzi Bolt, vice-president; Jane Zuidema, secretary; and Bob McCullen, treasurer. Their advisors are Miss Smith and Mr. Williams.

The class is making plans for their main project of the year—the Junior-Senior Prom. Chairmen and committees already selected are the following: refreshments, Sherry Bonebrake; decorations, Karen Corberly; chaperones and invitations, Bronn Sprecken; finances, Bob McCullen; photography, Tom Pedler; publicity, Barb Luders; and orchestra, Jane Zuidema.

Future Nurses

By Rose Stewart

Of the many projects of the Future Nurses this year, the main project is raising funds for the scholarship program. They worked very hard on the card party which brought them much money. Another fund raising project was the car wash that they had. They are now making plans for a rummage sale in the spring.

The girls also have the Christmas spirit, for they made Christmas angels as favors to place on the trays at Hackley Hospital. The officers for this year are: JoAnne Brandes, president; Barbara Nicholes, vice-president; Alice Battle, secretary; Karen Erickson, treasurer.

Congratulations

By Marcia Riphagen

Muskegon Heights High School should really be proud of the fine work the majorettes have done this year. The girls have practiced hard and long this season on both Wednesday and Thursday nights. Wednesday nights they practice with the band, and Thursday nights, alone, working up clever routines to coordinate with the band.

Our majorettes marched in the Veterans Day Parade and the Fire Prevention parade, and will also march this spring in the Memorial Day parade.

While we are on the subject, we would like to express our gratitude to the cheerleaders for the fine work and sportsmanship they have displayed all through the football season. Band Director is Mr. Gene Marklevita.

Latin Club

By Rose Stewart

The Junior Classical League of Muskegon Heights has planned an exciting program for Christmas. The program will be a combined effort of both the Junior and Senior Highs. Cheryl Marschesky is general chairman of the presentation. Don Vanderlaan will explain the Roman Saturnalia which was an ancient Roman festival that was held about December 17 in honor of the god Saturn. Sandy Jakubas will speak on the topic "How our Christmas Customs Developed from the Saturnalia". The Christmas story will be related by Sandy Minott. Linda Owen will provide flute music to accompany the Christmas story. Janet Fink will lead the singing of Carols at the appropriate times. There will be Latin games pertaining to the Saturnalia to be presented by David Schottery. Deloris Zarimba and Linda Owen are in charge of a game that involves the exchange of gifts. Refreshments will be served also following the Christmas meeting.

Y-Teens

By Rose Stewart

The Y-Teens at Muskegon Heights High began their Christmas celebration early. The annual "Hanging of the Greens" was held Sunday, Dec. 2, at the Y.W.C.A. Many girls participated, some brought ornaments, sang carols and brought refreshments.

Also the girls cleverly dressed many dolls for the Good Fellows Organization, which really shows some Christmas spirit!

Christmas caroling is their next step to top off the Christmas season for the Y-Teens. It is traditional in the club to go caroling every year.

Next month is the ice-skating party at the Walker Arena, but the date has not been set.

Fun In The Office

Absence excuses:

"I had to help my mother get unstuck."
"I was strained in Chicago."
"Had a sprunged toe."
"Snow three feet deep; legs two feet long."
"Wrong medicine."

Spanish Club

By Marcia Riphagen

Spanish Club is very busy in the month of December, not only this year, but for many years in the past. They are busy making plans to aid a needy Spanish family in the vicinity of Muskegon, Muskegon Heights. They are preparing a box containing food, clothing, and other home and family necessities.

Other plans consist of holding their annual Christmas meeting at which the main speaker will be a young boy from Mexico, named Jose. He will tell of his countries customs during the Christmas Season.

Sub-Juniors

By Sandy Mitchell

The members of the Sub-Juniors are not only busy, but are also receiving much enjoyment from their work this year. A fun-filled hayride started this year's calendar. Scheduled for December 15 is a rummage sale, which will give the less fortunate a chance to buy clothes and toys for Christmas. A car wash will also be held in the spring.

There are many interesting and educating speakers who visit the Club. Some of the topics of these speakers for this year will be hair-styling, pediatrics, modeling, and proper use of make-up.

A committee under the chairmanship of Pat Borns will decorate the stage with Poinsettias and candles for the Christmas Assembly. Of course the Club puts hard work in all its activities, but the big event in the minds of the Sub-Juniors is to make the annual spring prom the biggest and most exciting of the year.

Future Accountants

By Sharon DeFrench

Our Future Accountants have chosen its new officers for the coming year. They are: Jack Thom, president; Sandy Millette, vice-president; Sue Smith, secretary; Sandy Kurbski, treasurer. Also, the club elected a librarian, Mary Jo Jay.

Sandy Millette spoke recently at a meeting of the American Society of Accountants. She told of the projects and experiences of the clubs in the past, and other information.

We appreciate the help the F.A.A. provided for our football games.
